OUR FAITH IN THE PLANET

**Earthshot: How to Save our Planet by Colin Butfield
and Jonnie Hughes, with an introduction by HRH
Prince William**

EcoJudaism Overview

Written toward the launch of the new Earthshot Prize, the book addresses the five great challenges: how to Protect and restore Nature, Clean our Air, Revive our Oceans, Build a Waste-Free World, Fix our Climate. A book that challenges and inspires on all the most important issues. – *Rabbi Jonathan Wittenberg*
