OUR FAITH IN THE PLANET

## There Is No Planet B by Mike Berners-Lee

### EcoJudaism Overview

By the acclaimed author of **How Are Bananas?** this frank, readable, down-to-earth, say-it-as-it-is book is written as questions: how must we learn to think and act to cope with our new era. It includes an 'Alphabetical Quick Tour' index of the key issues, from climate denial, through farming and even parenting. – *Rabbi Jonathan Wittenberg*
